Dear Parents, Students and Staff

Swimming lessons continue to go well, though the weather seems to be having trouble deciding on hot or wet! We have been very pleased with the behaviour of students and the minimal lost property.

Next week we return to normal, and I am really looking forward to the Room 7 assembly. This will be the last class assembly for these students as graduation is not far away.

Thank you to the families who have submitted written requests for 2017. The final date for requests is Friday.

The basketball court upgrade is going well, with only the final surface coatings and goals to be completed. There is a slim chance that we will have the courts available before the years end.

I am very excited that we will be having our first big breakfast in December. Our school chaplain, Glynis Best with support from the school, will be continuing this initiative in 2017. Dates and details for 2017 will be advised early in 2017.

Cluster Doors
The double doors to the Cluster Block will be locked after the first siren and opened at home time. When you are going to your child’s room you will have to use the outside classroom door. Please remember that you should sign in and out through the office if you come to school during class time.

Swimming Carnival
Mr Lee will be sending out information very soon to students in years 3-6 who would like to participate in our annual swimming carnival. To assist in the management of the day students will not be allowed to go to the canteen at Bayswater Waves. Students will be expected to take their lunch or take advantage of the P&C special lunch offering.

Drama Club
Any parents of students in the Drama Club are more than welcome to join us in the music room for what will hopefully be a fun filled morning next Tuesday 22nd November at 9am. Our hard working year 5/6 students have been honing their improvisational skills and are ready to dazzle in a theatre sports competition. See you there!
Mrs Carroll, Miss Crayden and Miss Kay

Bookclub
Scholastic catalogues for issue 9/2016 have been distributed and orders CLOSE on Wednesday 30th November. No orders received after this date will be processed or accepted by Mrs Kennett. Thanks everyone all for your continued support of Scholastic Bookclub and ordering in 2016. The rewards earned from Scholastic Bookclub this year, has enabled the school to receive new resources for the School Science program and Library.
Karen Kennett - Bookclub Coordinator
**Payments**
The office staff would like to thank all parents for embracing our new payment system that has been in place since term 2. A major issue at other schools is unclaimed monies from direct deposits, but we are happy to say that all monies paid have been claimed. Thank you to all families who have ensured they have used clear descriptions when using the direct deposit facility. Just a little hint – if you are paying for excursions/incursions for more than one child, this can now be done as one payment. Please type the surname of children in the reference field. We have also found the payment envelope system to be very effective and reduced the amount of time teaching staff are spending on collating payments.

**TV’S for Tender**
We have two flat screen TV’s for sale. If you would like to view them, please speak with the office staff. If you would like to make an offer, please give to the office staff in a sealed envelope with your details and offer amount.

**Thank you**
We would like to say a big thank you to Tracy Boyce our cleaner in charge for hanging out all the left behind bathers and towels from swimming. We are sure the kids were so grateful to come to school and find all their swimming gear dry and ready to go. I am sure you will agree our cleaners do an amazing job of keeping our school clean and tidy.

**Breakfast Club - CHAPLAINS CHAT**
At the end of this term we are running “The Big Breakfast” in Cluster 6. Breakfast is the most important meal of the day but unfortunately many school children come to school without having had breakfast. So we thought this would be a good opportunity to trial “The Big Breakfast” and continue on a regular basis next year, so come along and enjoy the food and friendship.

Glynis – School Chaplain

Hampton Park Helping Hands

We are collecting plastic bags to help make mats for the less fortunate, help us reach our goal of 5000 bags which equals approximately 10 mats by bringing all your unwanted bags to room 5. Labelled bags will be added to your class tally and the room who collects the most will win a prize.

Blazing billy karts started this week and the children have started to construct the first part of their Karts, there is still time to join but places are limited.

BRING HOME A BIG BROTHER OR SISTER AND BRING FRENCH CULTURE TO LIFE!

Why not volunteer to host an international student from France next year? We have a small group of delightful French students coming to Australia for 10 weeks to immerse in local Australian culture, experience our High schools, sports, environment and lifestyle. All the French students are around 15 years old, speak excellent English, have their own spending money, cover all school expenses, and we arrange all aspects of their program. They are looking forward to joining an Australian family for a short term. It’s fun and interesting to help these young people achieve their Australian dream. If you’d like know more, please email your interest to Rob at Inter Cultural Management on rl@scce.com.au

Setting Healthy Boundaries

In order to experience satisfying relationships with other people – whether familial, work or colleagues or even relationships – one must be able to set healthy boundaries.

The seminar looks at the difference between healthy and unhealthy boundaries and explores skills that help with good boundary setting. By the end of seminar, participants will have:

- Explored what constitutes boundaries and learned the difference between healthy and unhealthy boundaries
- Compiled a list of personal boundaries and explored elements that contributed to same
- Developed personal goals and strategies of change
- Learned skills to help in setting boundaries
