Year 7-10 Head Start Program

6 hours per course - 3 hours a day over 2 days

Courses available in:

NAPLAN Preparation

Review NAPLAN questions with help from specialist teachers who will refine your child's skills and hone in on recurring problems.

GATE and Scholarship Exam Preparation

Your child will learn strategies and develop their skills in reading, writing, mathematics, quantitative & abstract reasoning. The course will develop student's comprehension and abilities in responding to each part of the exam with feedback on their work.

Essay Writing

Your child will learn how to write great essays for any subject and develop skills to improve their writing.

Foundation Maths and English

Recommended for students in Year 7 and 8 who would benefit from some extra help, skills development, motivation and confidence in their high school studies. The class reviews concepts learnt in early high school years.

Advanced Maths and Intermediate English

Recommended for Year 9 and 10 students who like to consolidate their skills and be extended by learning new concepts and practising advanced questions.

Learning Skills

Learn study techniques, goal setting, homework strategies, time management and many more skills to improve school work.
