Dear Hampton Community

## **FIRST Lego League Morley Regional Event, Saturday December 7, 2019 at Hampton Senior High School**

This year, Hampton Senior High School is hosting a regional event for a national robotics competition called FIRST Lego League. The focus of this competition is to encourage and celebrate cooperation and collaboration through competition. This year's FLL challenge is '**City Shaper**' and here is the trailer: [https://www.youtube.com/watch?v=y\\_mTQZQ8Kzc](https://www.youtube.com/watch?v=y_mTQZQ8Kzc).

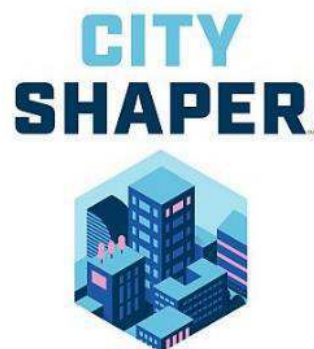

Each year, teams from primary and secondary levels design and build robots to conquer a range of obstacle challenges related to a theme. This year's theme is based on meeting the needs of current and future cities! Beside the robotics, students must also present a solution to a current or perceived future problem related to the challenges faced by cities.

There will be 24 teams attending the event at Hampton which each team comprising approximately 7-8 students, a teacher and parents. Along with staff, volunteers and visitors approximately 500 people are expected to attend the event.

We extend a warm welcome to you, as a community member, to visit on the day and details are provided below.
