

# weird water

**Thursday, 27 August 4pm - 5pm**

**Bayswater Library**

**For ages 5 - 12**

Welcome to the wacky, wet and wonderful world of water. Join Mick from Science Alive for this fun and interactive science show and learn why water really is nature's magician.

Due to limited space only one supervising adult per child can be admitted. Please book for both the adult and child attending and make alternative childcare arrangements for siblings not participating in the session.

Bookings essential. To book visit the library's Programs and Events webpage:
