# MLC Foundation Community Scholarship

## Applications for 2023 are now open!

Applications for the 2023 Methodist Ladies' College Foundation Community Scholarship are now open, offering a life changing opportunity for a girl who is versatile and demonstrates wide ranging skills, interests, and passions.

The Years 7 to 12 scholarship commences in Year 7, 2023 and offers 100% remission from tuition fees and agreed on-costs for a student from Years 7 to Year 12. It is not an academic scholarship, it is a community scholarship for a girl who plans to contribute in a meaningful way to her community, starting with her time at MLC.

We seek to award this scholarship to a girl who is motivated to make the most of all that her MLC education offers, and we will make the world of educational opportunities available.

### How to Apply
